LIBRARY REPORT, 1916

The trustees of the Andover Town Library submit the following report for the year ending February 15, 1916:

The number of books circulated at Andover Center and Taunton Hill was 2,990, and the number of borrowers was 237. The number of books circulated at East Andover was 1,105, and the number of borrowers 79.

Our Library contains a well-selected collection of useful and readable books.

Almost two thousand years ago Cicero said of literature: "It feeds the minds of the young; is a delight in old age; is an ornament in prosperity, and a refuge and solace in adversity." Test this for yourselves.
